GREEN POLICY

Policy for Green Campus

A Green Campus is a place where environmental friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. The green campus concept offers an institution the opportunity to take the lead in redefining its environmental culture and developing new paradigms by creating sustainable solutions to environmental, social and economic needs of the mankind.

College environmental aims and objectives

The main objectives of the Environment Policy strategy are:

- Make the campus as well as the activities in college environmentally sustainable.
- The campus to be made eco-friendly and safe as much as possible.
- Create green events and inculcate a more aware and sustainable attitude among the students and staffs.

Khaira College will also look into the following norms for making the campus greener and sustainable:

- To sensitize the students and the staff to minimize the use of polluting products and use environment-friendly products and services.
- To make the energy consumption of college more efficient.

- To ensure that the hygiene and sanitation requirements in the campus are well maintained.
- To Create awareness about environmental issues by organizing Events, Rallies, Awareness Campaigns, Cleanliness Drives, Seminars, Workshops, Tree Plantation Drives, Rangoli Competitions, Debate Competitions, Essay Competitions, Study Tours, Guest Lectures, Talks, etc.
- To make students and staff aware about raising voice against the hazardous practices destroying Nature and promote environment friendly practices among the society.
- To continuously improve the efficient use of all resources, including energy and water, and to reduce consumption and the amount of waste produced, recovering and recycling waste where possible.
- To make the campus plastic free.
- To conduct green/environment and energy audits from time to time.
- To minimize the use of paper in administration through having policy for E-governance.

Role of the Green Campus initiatives Committee

- To conduct the Campus environmental impacts to identify the targets for improvements.
- To establish a Green Campus Environmental Ethic Awareness Campaigns.
- To organize Awareness Programme for the Students, Faculty and Society.
- To conduct an Annual Green, Environment and Energy Audit.
