STUDENT'S FEEDBACK ON

TEACHING LEARNING PROCESS & COLLEGE INFRASTRUCTURE

ACADEMIC YEAR - 2020-21

Analysis - Due to pandemic situation and lockdown there was no physical class. Feedback was sent to students through Whatsapp group and the students submitted the form later on. The feedback analysis committee on analyzing the response from 381 students found that they are satisfied with cover of syllabus on-line. Mentoring system was satisfactory for them. They are happy with online guidance.

Action Taken - Though the analysis of feedback was placed the principal, no action was taken due to lockdown and pandemic situation.
