<b>15.Multidisciplinary / interdisciplinary</b>	

The institute endeavors team-taught courses in which students are asked to understand a single subject as it is seen by two or more traditional disciplines. It opens students' eyes to different views of a subject. At different levels of functioning, as a teacher and mentor, guidance is provided to make students aware of the pressing issues and challenges so that they can engage themselves in a multidisciplinary field if an opportunity comes. The college includes projects, industrial visits, and a curriculum on subject areas like consumer protection, Human Rights, Pollution control, climate change, sustainable development, soil conservation, etc.

#### **16.Academic bank of credits (ABC):**

Entrusted with responsibilities such as opening, closing, and verifying the individual academic accounts of students, the college takes steps to create the ABC of the students, integrating it with schemes such as NPTEL, SWAYAM, and V-Lab. The credits stored in the individual account of the students will give them a much larger scope of freedom interim of their academic career choices. It will also be responsible for gathering the academic credits earned by the students from their respective higher education institutions, verifying them, and promoting them. Since NEP 2020 is implemented, ABC is the top most necessary part of a student for free choice in Higher Education.

#### **17.Skill development:**

The college concerns more with the empowerment of students' professional skills, soft skills, ethics, morality, and values. The students gain an arsenal of skills like problem-solving, critical thinking, time management communication, analysis and research methodologies, and teamwork. It is designed to create high-quality human resources. The enhanced skill may help them to meet the professional challenges of completing of Higher study.

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Indian knowledge system includes integration of the knowledge from ancient India to modern India which envisages aspirations with regard to education, health, environment, technology, etc. These elements will be incorporated in an accurate and scientific manner. Learning of ancient classical literature, Artha Shashtra, community feelings in folk culture, Vedic culture, traditions, etc helps to churn out future courses. Mathetics, philosophy, Yoga, and literature of today are an integral part of Indian

ancient culture and learning. Thus integration of the past with the present learning is also included in our curriculum.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The college will focus on research and innovation, through focus on industry academic linkage and interdisciplinary researches through internship with local industries and business establishments.

Students will actively engage themselves with practical aspect of their learning and thus they can improve their employability.

Research will be conducted in the areas like infectious diseases, instrumentation, conservation of natural resources, to develop entrepreneurship among students in the field of agriculture and industry. Hand holding mechanisms will be developed among students to promote innovations in collaboration with local industries and business establishments.

### CURRICULAR ASPECTS

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

Academic enrichment of students is duly focused while planning for implementation of academic calendar and syllabus as prescribed by the affiliated University. The college undertakes an Undergraduate program of CBCS syllabus based on the state model syllabus which is followed by all the Universities of the state. Based upon student requirements, the Head of the Departments, senior faculty members, and the Principal sit in a meeting to chalk out time table.

Any change is circulated among staff members and the principal convenes the meeting of the concerned HoDs and teachers and discusses how to implement such change effectively. The college arranges extra classes, doubt clearing class for the interest of the students. Bridge course is adopted for the slow learners to get fit for the learning, to cope with study as per with syllabus. The performance of various exams like mid-term and Unit test are reviewed occasionally to assess students' curricular

achievement. The problems and short comings are traced and measures taken accordingly. Some special classes are held to boost the competitive temper of the students. The departments try best to give effective curriculum delivery through combination of need based and innovative methods. Starting from enrollment/ entry point assessment is made on the aptitude and expectation of students and teaching plan is based on it. Faculty members take utmost care to complete the syllabus in time. They maintain lesson note and progress register. Which is verified by the head of the department and supervised by the principal on regular basis.

## **2.2 - Catering to Student Diversity**

**2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners**

The college aims at academic achievement, personality development and skill based learning for the students. It is the learning centre of diverse background, sects, religions and communities. They develop the practice of learning together under one umbrella and develops the sense of unity in diversities. The college emphasize an academic achievement and behavioural aspect of the students. Undergraduate students through the journey of three years need guidance, assistance and counseling's. From the commencement of study, mentor mentee system is introduced. The principal convenes meeting of the departments and ask them to act as the mentor. Accordingly students are divided by the number of teachers of a department and the ratio of mentor and mentee is fixed on teacher student ratio. Departmental faculty member lead as the mentor till end of graduation. The mentors not only support and help students academically, they also act as the local guardian of a student. Teenagers come across different issues besides their study and a mentor takes care lovingly to solve the issues. Necessary suggestions and advices are given to a student to build up academic career and morality to come out as disciplined and responsible citizen. Our institution sincerely delivers mentor mentee system.

<b>GOVERNANCE, LEADERSHIP AND MANAGEMENT</b>	
<b>6.1 - Institutional Vision and Leadership</b>	
6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution	
<p>The college's mission is to help the students not confine themselves to the curriculum but rise above it and be serviceable to society. The college functions under the guidance of a Govt. nominated Governing Body of which the principal acts as secretary and two senior staff members act as staff representatives. All teachers are in charge of various committees like Academics, Examination, construction, Discipline, planning, NSS unit, YRC unit, etc. The staff council is the highest body to decide the policy on academic matters. The Governing Body analyzes the college's academic, financial, and extra-academic achievements and suggests suitable measures. Teachers in charge of various committees on curricular and extracurricular activities prepare action plans at the beginning of the academic session. Besides this, the IQAC also brings the self-appraisal report to the staff members' knowledge, and any loophole that comes to view is repaired. Student representatives groom as leaders in executing their responsibilities. The teachers are given independence to deal with matters relating to the various committees they head. Thus there is ample opportunity for the promotion of leadership quality among the students.</p>

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

All the activities of the college have been classified into several heads and the teachers act as the officers in-charge of various dependents/ heads. Each officers enjoy autonomy in designing the plan and seeks the approval of the principal for implementation. Thus the power is decentralized and the staff members enjoy the pleasure of doing something. Neither the governing body nor the principal shows any possessive attitude in the administration of the college. The elected students are given freedom to structure the plans of their Association under the guidance of teachers. The function of the institutional bodies as follows:-

GOVERNING BODY --> PRINCIPAL -->STAFF COUCIL --> IQAC -->  
VARIOUS COMMITTEES --> STUDENTS REPRESENTATIVES

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The institution at its own level stresses in quality teaching learning process where in the IQAC looks into the quality aspects and accordingly prepares plans. Taking into consideration of the marks of the qualifying exam., the students are categorized as good, weak and average. During counseling process, the teachers help the students to choose their suitable

subjects. Remedial classes are planned for the weak and some special classes are taken for advanced students. Usually students admitted into UG programme come from diverse socio economic and environmental background with various level of learning ability. So remedial classes are conducted to fill up the deficiency level of the weak and draw them to the line of the average. Interactive sessions of the teachers with such students are held. To evaluate learning outcome, unit test, internal exam, special exams are reviewed by the concerned Departments and then necessary suggestions are placed before council and IQAC meeting. IQAC initiates the proceeding for the review of the result and necessary action is taken up accordingly.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Ever since its establishment in 1980 the college has tried to inculcate human values among the students, taught its students how to academically excel and lead a good life. To lead a good life it is essential that one must achieve one's goal as well as have some contribution in social front. It is a matter of great pride how students from extremely weak financial backgrounds and vernacular base in high schools excel in the pyramid of higher learning and reach the pinnacle.

Though the college and its students faced many obstacles in the covid pandemic times, the teaching - learning process and consultation remain intact by online classes and sessions. Our college also encourages students for active participation in sports as a means to promote individual fitness, health, competitiveness, discipline and adjustment.
